

## KACD GRASSLANDS COMMITTEE SIGNS

Conservation Districts,

The KACD Grasslands Committee is proud to again announce that Sharp Brothers Seed Company is providing up to two (2) signs for each District to be given to your County Grasslands Award Winner at your annual meeting.

Please complete and return the enclosed order form or you can email your request to [cheryl.davis2@ks.nacdnet.net](mailto:cheryl.davis2@ks.nacdnet.net) by **November 12, 2012** so that your signs will be ready to pick-up during the KACD Convention.

**PICK UP:** Signs can be picked up at the Sharp Brothers Seed Company booth. Sharp employees will have a list of districts that placed orders. Please sign for your county when you pick up your sign so that Sharp Brothers will have an accurate count.

***Please THANK Sharp Brothers Seed Company for providing the signs.***

If you need a sign and are unable to attend the convention, ask another county to pick up your sign.

Sincerely,

Ted Alexander

KACD Grasslands Committee
